General Comment

Dear Regulators,

I understand this regulation would disallow the use of options in retirement accounts (IRA, 401K, Roth IRA ETC). This comment is to express my opposition to such a rule.

I utilize call and put options to raise additional income and provide insurance to various parts of my portfolio. I am 100% disabled combat veteran on fixed income and the ability to use options in my Rollover IRA is helping me ensure my and my families future financial security. Please remove this part of this proposed change or do not approve any of this proposed change.

Sincerely,
Richard C Jackson
